

CSC Meeting Minutes

Valverde Elementary
2016-2017

Date: 12/15/2016

Time: 4:15

Location: *Valverde Room 103*

Attendees:

Drew Schutz
Elly Campbell
Veronica Hernandez
Ana Munoz
Andres Escamilla

Agenda Topic:

*TIG Update

*UIP Update

*Enrollment Projections

Discussion:

TIG Update

An update was shared on Valverde's TIG grant. The principal was excited to share that the grant was awarded to Valverde. The school will be receiving funds from the state to provide additional technology as well as hire two full-time teachers to teach English language development for all grade levels. This will allow for more expertly delivered ELD instruction, as well as double the daily planning time for classroom teachers from 45 minutes to 90 minutes.

UIP Update

The principal shared an update on the school's Unified Improvement Plan and the Major Improvement Strategies that are part of it. The school's MIPs address strengthening DDI and MTSS processes, ensuring that all teachers receive regular observations and feedback, and continued work on school and student culture. The committee was asked to give feedback and had the chance to answer questions. The principal explained the specifics of each strategy. He noted that these strategies are a carryover from the previous year because they are multifaceted and ongoing. There is a possibility of having the Major Improvement Strategies changed in the following year.

Enrollment Projections

The principal shared the school's enrollment projections for the 2017-2018 school year. The enrollment is projected to be down by 20 students. The committee discussed the changes happening in the neighborhood that are effecting the numbers, and ways that the school can continue to recruit students.

Action Items:

*Send flyers and do canvassing to recruit new students

Important Calendar Items:

None at this time
