The calendar for the 2020-21 school year is adopted by the Board of Education subject to the provision that if for any reason the school district must close schools for more than the time provided by the statutes, the adopted 2020-21 calendar may be amended by the Board of Education to provide enough additional school days on Saturdays, during vacation, or at the end of the present calendar to meet legal requirements as required by the statutes.

Non-student contact days breakdown: Minimum of 4.5 full self-directed teacher planning days to be distributed in meaningful increments; 3 full professional development days to be directed by the principal; 3 days for data culture/analysis; 1 family conference day.

Notes: SLT to determine which non-student contact days are planning vs. professional. Attendance at centrally offered professional learning is at school leader discretion, but some flexibility decisions will require teacher attendance on these days. Additional recommendations and guidance will be provided on the Professional Learning Center website at plc.dpsk12.org.
